

The Moretons

Bredon, Gloucestershire

Newsletter September 2011

Welcome to our newsletter and a big thank you for visiting us at The Moretons in 2011. It has been a busy summer season and as September comes to an end, the apples and pears in the orchard are ready for picking and the leaves are starting to change colour.

Special offer

Why not book a return visit in the quieter season? We are currently offering a **discount of 25%** on last-minute bookings (a minimum of 3 nights) for October and November (including October half term week, 22–29 October).

In the cottages

We are constantly making improvements and your comments in the questionnaire we leave for you in your cottage really do make a difference. This summer season we have refurbished 2 bedrooms and added a new front door and a new suite in The Moretons Farmhouse, and completely refurbished Furlong Cottage. We are rolling out free wifi to the whole site and it is currently available in The Moretons Farmhouse, Dairy Cottage and Mary's Cottage (the remaining cottages still have wired broadband). In the play area we have added basketball nets and swingball.

The Moretons Farmhouse

Availability

Late availability is listed on our website http://www.moretons-soutar.co.uk/late_availability.htm. Courtyard Cottage (sleeps 5), Furlong Cottage (sleeps 2), Clock House (sleeps 2) and The Dovecote (sleeps 2) are still available for **October half term** week.

All of the cottages except for Clock House are booked for **Christmas week**, but we still have availability in Courtyard Cottage (sleeps 5), Corner House (sleeps 4), Mary's Cottage (sleeps 4), Furlong Cottage (sleeps 2), Clock House (sleeps 2) and The Dovecote (sleeps 2) for **New Year**.

Weddings

Due to popular demand we now offer wedding accommodation and reception facilities. Please see our wedding page <http://www.moretons-soutar.co.uk/weddings.htm> for further details, or call or email us to discuss your ideas and requirements.

Online booking?

We do not offer online booking as personal contact allows us to offer you alternatives—a larger cottage at a reduced rate for example—where we don't have your first choice. It also means that we can discuss with you the best choice of a group of cottages for a larger party.

Contact us

As always we are happy to hear from you—for enquiries, comments and future bookings contact Karen or Samantha at soutar@moretonsbredon.co.uk or on 01684 772294.
